John Griffiths DVM

Dr. John Griffiths graduated with a Bachelor of Science degree in both Biology and English from Neumann University in 1991 and earned his Doctor of Veterinary Medicine degree in 1996 from Kansas State University.

Dr. Griffiths is from Wichita, Kansas and after graduating from Kansas State University moved to

Huntingdon County where he practiced small animal medicine. Dr. Griffiths joined Metzger Animal Hospital in 2000 and his special medical interests include emergency medicine, diagnostic imaging, feline medicine and advanced veterinary dentistry. Dr. Griffiths attends advanced continuing education in veterinary emergency and critical care medicine and is committed to helping people and their pets anytime day or night.

Dr. Griffiths, wife Laurie, daughter Claire and son Dominic reside in State College with their cat Smoosh. Dr. Griffiths' outside interests include writing, basketball, and riding roller coasters. Prior to veterinary school John worked at Boeing as a licensed electrician and spent six years as a proud member of the United States Marine Corps.

Alejandro Martinez DVM

Dr. Alejandro Martinez received his Bachelor of Science in Animal Bioscience from Penn State and graduated with honors from St. George's University School of Veterinary Medicine. Dr. Martinez completed an internship at Fifth Avenue Veterinary Specialists in New York City. Dr. Martinez is currently

pursuing board certification in the American Board of Veterinary Practitioners and he is completing his residency in canine and feline medicine at Metzger Animal Hospital. He is a member of the American Veterinary Medical Association (AVMA) and Veterinary Emergency and Critical Care Society (VECC). Dr. Martinez resides in the State College area with his son Matthew and his Bearded Dragon named Bruce Banner.

Sean Jennett DVM

Dr. Sean Jennett received his Bachelor of Science degree in Microbiology at the University of Texas El Paso and in 1999 earned his Doctor of Veterinary Medicine degree from the Colorado State University College of Veterinary Medicine. He also completed an internship in small animal medicine and surgery at The

Metroplex Veterinary Centre in Dallas, Texas.

Dr. Jennett practiced emergency and critical care medicine at The Animal Emergency Hospital of North Texas for 12 years before joining Metzger Animal Hospital in 2011. At The Animal Emergency Hospital of North Texas he provided emergency and critical care services for several specialty practices including: the Dallas Veterinary Surgical Center, Veterinary Medicine Specialists of Dallas/Fort Worth and the Animal Ophthalmology Clinic. His interests include emergency medicine, ophthalmology, cardiology, ultrasound and internal medicine.

Dr. Jennett lives in Aaronsburg with his wife Hope, daughter Margaret, son RJ and several rescue dogs and cats. Dr. Jennett understands that emergencies happen at inconvenient hours including late nights and welcomes any opportunity to help his patients anytime he's needed.

24 Hour Emergency Service

Metzger Animal Hospital is the ONLY 24 hour dual AAHA (American Animal Hospital Association) and VECCS (Veterinary Emergency Critical Care Society) Level II certified Emergency Veterinary Hospital in Central Pennsylvania.

Our AAHA certified general and referral hospital welcomes all existing and new clients should they need emergency veterinary care.

Our hospital does NOT charge an additional exam fee for emergencies - we feel you should you not be financially penalized if your beloved pets need emergency care!

Jessica Alexander DVM

Dr. Jessica Alexander received her doctorate degree in Veterinary Medicine and Surgery from the School of Veterinary Studies in Edinburgh Scotland. Dr. Alexander is currently pursuing board certification in the American Board of Veterinary Practitioners and completing her residency in canine and feline

medicine at Metzger Animal Hospital. Her special veterinary interests include emergency and critical care medicine, internal medicine, pain management, and surgery. She is a member of the American Veterinary Medical Association, and the International Veterinary Association of Pain Management. Dr. Alexander lives in the State College area and her outside interests include hiking, exploring, other outdoor activities, reading, and photography.

We are a certified Cat Friendly Practice and members of the American Association of Feline Practitioners (AAFP).

Nikki Abdulla DVM

Dr. Nikki Abdulla received her Bachelor of Arts degree in English in 2002 and Bachelor of Science degree in Biology from Penn State University. Following undergraduate studies, Dr. Abdulla was a part of the veterinary assistant team at Metzger Animal Hospital for 2 years. She then attended Ohio State University's

College of Veterinary Medicine, where she received her Doctor of Veterinary Medicine. Dr. Abdulla is a member of the American Association of Feline Practitioners and her interests include feline medicine, internal medicine, and pocket pet medicine. Dr. Abdulla resides in the State College area with her 3 cats (Sweeney, Moo, and Walter) and 2 guinea pigs (Chauncey and Rupert). Her outside interests include knitting, hiking, and reading.

Expectations will not be met at Metzger Animal Hospital, they will be surpassed!
